

JOAN

Mainstream calendars supported. See the current meeting and the six that follow.

No wires. An easy, zero-cost installation, even on glass, brick or wood.

Quiet design. Distraction-free elegance of electronic paper at its best.

99% more power-efficient than other displays. The greenest office solution.

JOAN PREMIUM

A comprehensive meeting room overview.

JOAN Premium, one in the line of the award-winning JOAN room scheduling solutions, offers the most comprehensive overview of meeting room availability, right where you need it most – at the conference room door. See the meeting currently taking place, the next one coming up, and the five that follow.

All on the intuitive, easy-to-read interface of an elegant 13-inch room display that feels at home in any interior. The non-intrusive, elegant nature of JOAN Premium's electronic paper screen beautifully blends with any office design and does not distract with the glare that LCDs produce.

Perfect for high-end executive boardrooms with centralized booking.

Wire-free and power efficient. For zero costs.

Completely cordless, JOAN Premium can be installed absolutely anywhere, supported by a battery life of as much as 12 months on a single charge. This superb energy-efficiency makes it the greenest office tech around, with a power consumption 99% lower than LCD or LED, saving thousands in energy bills.

JOAN Premium boasts an unparalleled simplicity of installation and use. It can be attached to any surface with a stick-on Magnetic Mount included with the device, or alternatively, with a standard VESA mount. Say hello to zero cost installation and goodbye to expensive wiring or hidden costs.

Works with your company calendar.

JOAN Premium seamlessly connects to the existing company calendar via Wi-Fi, supporting G Suite (Google Calendar), Office 365, Microsoft Exchange (Outlook) and iCalendar (.ics).

Simple.

Designed based on user feedback to be the simplest and most intuitive room scheduling solution out there. Hosted on a cloud subscription basis or on-premises, for free.

Cost-saving.

Up to 12 months of battery life and zero installation costs. Saves thousands in energy and construction bills.

Secure.

Our extensive experience in global deployments, combined with our communications expertise, makes JOAN secure and reliable.

Open.

The JOAN API and integrations are the key to helping you create your smart office. Customize your existing processes and workstreams with JOAN's integrations and bots.

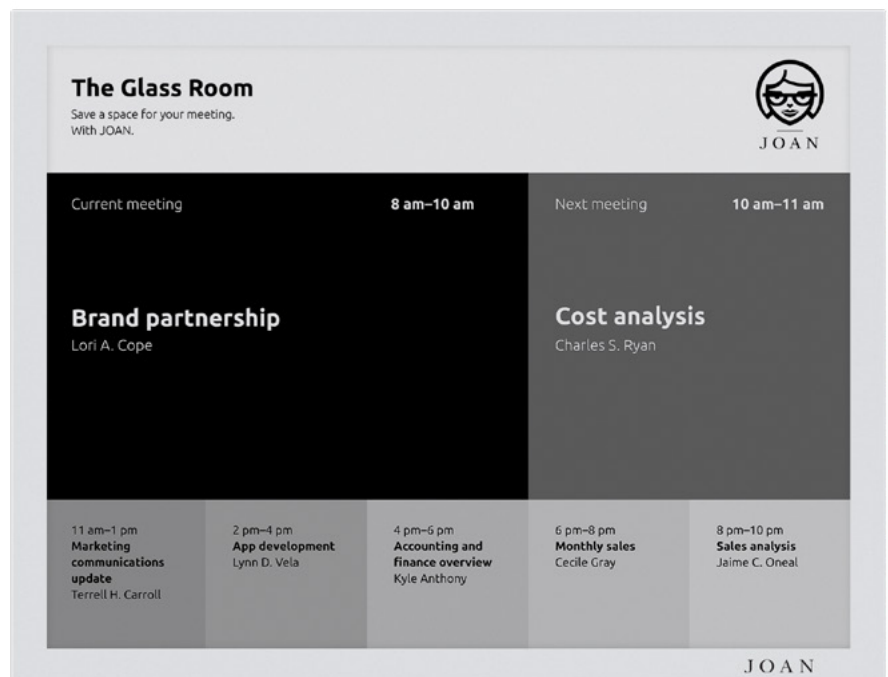

Beautiful.

No buttons. No wires. An intuitive, easy-to-use interface. Elegant casing. Designed and meticulously built in Europe for a seamless look and feel.

Easy to use & simple to manage.

JOAN Premium delivers powerful room scheduling features with simplicity and ease.

- 13-inch non-touch screen. The meeting currently taking place, the next one coming up, and the five meetings that follow.
